Carousel NC-3

Where onboard mop systems are not required the NC-3 is the classic helper for busy people in busy, high profile environments - yes everything to do the job in hand. A 70-litre lidded waste bin can be used with or without liner bags, one large and one small colour-coded detachable cleaning caddies that ensure that all your cleaning needs are onboard and available at all times. A real timesaver and so very convenient to use.

Carousel NC-4

The full colour-coded cleaning mobile that really does allow "full" control of the cleaning programme in all applications.

Hotels, for example- bedrooms one colour, bathrooms another colour, WCs yet another... a place for everything and everything in its place.

Two large and two small twin compartment caddies all together but all easily detachable as required. No system could be simpler or more versatile than the Carousel.
