

NLL332 LoLine Compact Scrubber/Polisher

The NLL332 LoLine Scrubber/Polisher is compact in size, whilst offering big performance.

The NLL332 can fold down for compact storage and at only 18kg, is easy to transport or move from room to room.

Its compact size allows the user to clean underneath furniture or objects that larger scrubbers simply couldn't access.

- 2 Year Warranty
- Easy storage – compact size, folding design and only 18kg
- 200rpm speed allows for versatility in cleaning functions
- Full range of 330mm brushes/pads
- Supplied complete with solution tank
