TT1840G – Compact Electric Scrubber

The TwinTec 1840 machine has been designed to minimise size whilst maximising cleaning performance.

All the features of a big scrubber packed into a compact scrubber:

- Pivoting squeegee coupled with a 300-watt vacuum motor provides excellent water recovery
- Recovery tank has a drain allowing for easy emptying without the need for lifting
- Control panel provides operator with water flow and vacuum operation in one convenient place
- 20 metre mains cable provides a generous cleaning area
- Fits into the boot of a car

Simple water flow and vacuum Controls

Fold down handle for easy storage

Easy fill tanks to make refilling a breeze

Edco

Proudly cleaning Australia since 1941
